# 2021 – A Year in Review

## Message from the Board

Here we are again; it's hard to believe it has been another whole year without dragon boating. The only good part of not dragon boating is that we would have missed a good portion of the season anyway due to the horrible air conditions.

I am happy to report though that the Board has not been idle this past year, and neither have most of you from what has been posted on FaceBook. It has warmed my heart to see people getting together to stay active and connected as we progressed through another unprecedented year. It seems there was a great deal of snow shoeing, hiking, biking, kayaking and other activities.

Over the past year, the Board has been busy. We fine-tuned our new website, kept our FaceBook page lively, set up an Instagram account and full of memories (in case we forgot what dragon boating really is), and received our new festival canopy.

With any luck, we will be ready and raring to go come Spring 2022! Our hope is that by April 2022, COVID will be in our rear view mirror and we can resume paddling. On a positive note, plans for the BC 55+ Games are moving forward; the location is beautiful Victoria – more info to come at the AGM.

On behalf of the Board, I want to wish everyone a safe and happy holiday season. Keep in touch with our website, Facebook page and we look forward to seeing everyone on the water in Spring 2022 (hopefully!).

Respectfully submitted by

Nancy Eld

President

On behalf of the 2021 Board of Directors
